

# Double success for SWAC!!!

It doesn't matter which archery discipline we participate in – South Wilts Archers will always work hard to put in a great performance. This weekend saw two competitions in which SWAC proved that they are the new force to be reckoned with!

## Saturday 17<sup>th</sup> January: NFAS Westcott 3D Indoor Shoot

Two archers had entered this competition where you 'shoot outside, inside' (see right)! It involved shooting at a variety of 3Ds - some moving, with specific scoring zones. Freestyle archers, Owen Blackmore and Sam Moss, both won their categories quite comfortably to bring home two golds for SWAC! This shoot was very well organised and was so much fun to do, and comes highly recommended for any new field archer wanting to start entering NFAS competitions. Entry forms for next year's shoot are already on the Westcott Archer's website.

---

## Sunday 18<sup>th</sup> January: GNAS Canford Open (Hosted by Bournemouth Archery Club)

A strong team of nine archers attended this year's event where a Portsmouth and Double Portsmouth round was shot. After a very long but enjoyable day, the results were finally announced and can be found below. If you are new to the club and wanted to take part in the various archery competitions, then please speak to any of the experienced archers at SWAC. Remember, junior archers don't need to pay to be members of GNAS.

**1<sup>st</sup> March 2009** sees the annual Dorset and Wilts Archery Association's Indoor Champs. If you would like to take part, just speak to any of the archers named in this report for some advice!
