

South Wilts Autumn Open – 2nd September 2012

Despite the good forecast, 106 archers set out in the rain (which had conveniently just started!) on our 40 target mixed game course (mostly 3Ds). Fortunately the rain didn't last too long and we only had a few short showers during the rest of the day.

Thank you all for your kind comments about the course, we are pleased you found it challenging. Even though we had not made any major changes to the course layout, Pete & Al worked their magic again. Thank you also to all our other workers, especially Ali's catering crew who kept you fed and watered all day.

We hope to see you at our Not The Boxing Day Shoot on Saturday 29 December.
